GREENVILLE TECHNICAL COLLEGE BUSINESS EDUCATION DEPARTMENT SCHOLARSHIP

GUIDELINES 2018-2019

The scholarship has a total value of \$1,500 and is designated for the 2018-2019 academic year. One graduating student *from each* high school within the Greenville County School District, enrolling in a Business Division Program at Greenville Technical College, will be selected for the scholarship if eligibility criteria and scholarship application deadlines are met. The scholarship is divided into \$500 awards for each semester (up to three consecutive semesters as long as the student maintains a "C" average/2.0 GPA) during the 2018-2019 academic year and may only be applied toward tuition. Any additional tuition costs, lab fees, application fees, student fees, books or uniforms will be the responsibility of the student.

The scholarships will be awarded by the Greenville Technical College Scholarship Committee in April according to the following procedures and guidelines:

1. Each student selected for the scholarship must have applied, met requirements, submitted Declaration of Legal Presence, and received acceptance into a Business Division program of his or her choice. Prior to selection, the following steps must be completed by the student:
 - A. Submit Greenville Technical College's Application for Admission online at www.gvltec.edu/apply on or before **Friday, March 16, 2018**.
 - B. Complete and submit the Legal Presence Form along with required state or Federal issued photo identification.
 - C. Take Greenville Technical College's placement examination or submit SAT scores of 480 or higher on the verbal, 480 or higher on the math, or ACT Math & English scores 19 or higher by **Wednesday, March 21, 2018**.
 - D. Submit copy of the applicant's high school transcript with application.
2. Applicant must complete the portion of the scholarship application labeled "Student Information" and give the **completed** form to his or her high school counselor.
3. A recommendation must accompany the application and it must be written by the student's high school counselor. The completed scholarship application form and recommendation must be received by the college no later than 1:00 PM on **Friday, March 23, 2018**.
4. Students receiving this award may not combine it with the Lillian Simpson or Vocational Technical Scholarships.
5. A college representative will present the scholarship at the awards program at the end of the academic year. We ask that the recipient be present.

While not required, it is strongly recommended that each applicant submit the 2018-2019 Free Application for Federal Student Aid (FAFSA), which is available online at www.fafsa.gov and have a Student Aid Report sent to GTC (Federal college code 003991).
